

Title: Are you looking forward to life after death?

Text: 1 Corinthians 15:35-53

We are looking forward to far better bodies

Paul uses 2 illustrations

- Seeds 'dying' and becoming plants v36-38
- Different bodies v38-41

How will they be better? Verses 42-44...

- **Imperishable**
- **Glorious**
- **Powerful**
- **Spiritual**

Is there an example of a body like this? Yes

Like Jesus' body v45-49

So, what was Jesus' resurrection body like?

We need to understand that it is only through Jesus we can have resurrection bodies

When will we get them?

Conclusion

If we live our lives not looking forward to life after death, we will live looking backwards longing to have a body like one we had when we were younger.

But knowing that those who trust in Christ will have far better bodies means we can live our lives looking forwards knowing our best body is yet to come.
