

Text: Amos 9:1-15

1: The **Severity** of God's Judgement v1-4

Remember this prophesy was specifically for the Northern Kingdom, the 10 tribes of Israel.

[Encyclopaedia Britannica](#)

“Following the conquest of the northern kingdom by the [Assyrians](#) in 721 BC, the 10 tribes were gradually [assimilated](#) by other peoples and thus disappeared from history.”

2: The **Supremacy** that God has to fulfil this promise v5,6

He is the same yesterday, today and forever.

There can be no doubt that when God speaks, what He says will happen

3: The **Shaking Sieve** of God's mercy verses 7-10

That sieve allowed the final 2 tribes, the southern Kingdom to continue.

4: The **Salvation** promise for the future.

That Day.

Acts 15:13-19

Galatians 3:29 says

If you belong to Christ, then you are Abraham's seed, and heirs according to the promise.
